CUSTOM SOLUTIONS

Combine any or all of our services to help your business excel. Short term or unexpected projects may arise from time to time. You can't afford to keep equipment and manpower on the sidelines for that eventuality. At Thomas Solutions we have the financing, equipment AND manpower you need to scale up for these types of opportunities quickly and cost effectively. This allows you to focus on growing your business and meeting client needs in a dynamic and versatile manner.

At Thomas Solutions we specialize in custom financing solutions. We will finance almost any type of equipment – large or small, offering loans, leases and even lease buy backs. We buy it for you, based on your precise requirements and lease it back to you for an easy, predictable and tax efficient solution.

CUSTOM SOLUTIONS SERVICES

> FINANCING

We offer a range of flexible financing solutions to suit your needs and tax situation. These include loans, leasing and buy-leaseback agreements. We can write you a cheque to acquire your units, lease them back to you in a tax efficient manner and provide cost certainty and fleet rollover in a fully-managed, full maintenance lease.

> PROJECT MANAGEMENT

Should an unusual or unexpected project arise involving handling and transportation of materials, special equipment and/or supplemental resources, we will work with you to develop a fully managed and complete project solution for one easy to understand and predictable cost.

> ON-SITE MANAGEMENT

We can provide resources to work with your team on-site to oversee operations or specific projects.

> FLEXIBLE SOLUTIONS

Our flexible solutions are tailored to meet both the short and long term needs of your business.

If we buy your equipment & lease it back to you, measurable tax savings may apply.
