COMPANY OVERVIEW

Thomas Solutions has been supplying work vehicles and equipment to the industrial and construction market for the last 50 years. Our customers are some of Ontario’s largest and most demanding firms including ArcelorMittal Dofasco, Imperial Oil, Aecon, Aluma, Safway, Niagara Region, Toronto Region Conservation Authority to name a few.

Our customers have asked for UTVs and now we are proud to offer UTVs under flexible terms just like our successful rental and no-term leasing work truck model. Whether it be a limited term construction project or an ongoing site need, Thomas Solutions would welcome the chance to be your UTV partner of choice.

RENT OUR UTVs ON A PROJECT OR LONG-TERM BASIS
